

Welcome AFFEERCIANADOS!

Pardon our dust. We are currently converting to a new server in anticipation of NowSeeHere.tv. Furthermore, our limited developer resources are being used on that project. Affeercianado registration can wait until the ideas are better known. However, if you wish to help and become an affeercianado today, check out our Facebook AFFEERCE group or contact us at Temp1789@AFFEERCE.org.
